Subject Mysore Deputy Commissioner's letter No. 188 dated 29th September 1903 re: members of District Board under the New Local Boards Rules

I. Number of District Boards for Mysore :-

The explanatory order to be issued in connection with the Rules will make it clear that there will be no separate District Board hereafter for French-Rocks .

II. Number of Ex-Officio Members of the Mysore District Boards :-

The Deputy Commissioner has included TWO Officers in each of the departments of Public Works and Education, instead of ONE only in ~~each~~ each, which is the correct number, that one being either the chief, or the senior in standing, of the several officers of the department in the District. Thus the number of Ex-Officio Members would be reduced to NINE, which may be deemed for all practical purposes to be equivalent to a third of the total number, since 25÷3 is more than 8

At the same time, there seems to be one more Assistant Commissioner in the District at present than the number* in the contemplation of Government when discussing the Rules.

* four viz:- the Sub-Divn Officer, two Asstt Commrs in charge of Taluks, one at Head Quarters not in charge of Taluks.

My dear Sir

Your letter No 188 of the 29th Septr 1903 re. Ex-Officio members of the new Mysore Dist Board. Will you kindly state, for the information of Government, how the District is distributed among the various Asstt Comrs, and whether this distribution has been sanctioned by Govt. Also, what the normal strength is of Asstt Comrs allotted for the District that is, prior to the temporary posting of the C. D. C. managers. A very early reply is requested.

The draft as altered by the Dewan was communicated to the Dy. Comr. Mysore Dt. who now states that the Inspector General of Education and the Chief Engineer were respectively addressed by him as to which of the two officers in their respective Departments in the District are to be regarded as the Chief or Senior in standing, that the former has replied to say that Mr M. Srinivasa Rao, Deputy Inspector of Schools of the Mysore South Circle may be appointed but that in the regard to the selection of an officer in the P.W. Department, the Chief Engineer is of opinion that there being two Executive

Engineers

Engineers in the Mysore District each holding a separate Divisional charge, it seems necessary that both of them should be ex-officio Members, as otherwise it would be very inconvenient for one to discuss the subjects relating to the other, as each officer can be expected to know only the requirements of his own Division. The Deputy Commissioner adds that it is with this object alone that he included in the list submitted with his letter No 1888/29 dated 19th Sept 1903 the names of the two Executive Engineers and of the two Deputy Inspectors of Schools. As regards Schools, the Dy Comr states that the question is quite different as they (schools) are excepted from the control of the Board but with regard to the Public Works Deptt. where to the allotment of funds is to be made after full discussion that it is necessary in his opinion also that both the Executive Engineers should be taken on the Board. By this proposal the number of ex-officio members of the Board will exceed the maximum prescribed by the Regulation. To solve this difficulty the Dy Comr proposes that the

only one of them. As under section 4 of the Local Boards Regulation

C No II of 1902, the No of Ex-Officio Members should not exceed 1/3rd of the whole number of Members, which is Rule 8 of the Rules issued under Govt.

D Notification No 30 & 9th September 1903 Dg 4-03 has been fixed at 25, and as according to the list submitted by the President, there are already 8 Ex-Officio Members, it is not possible to appoint both the Executive Engineers unless the rule above referred to which was so recently issued, is altered in the case of the Mysore District, which has 2 Ex: Engineers & a Sub Divisional Officer, & the total No of Members raised to 27 as proposed by the President.

Sir,

With reference to the rules under the Local Boards Regulation, II of 1902, published with Government Notification No: 30 — Legis 4-30 of the 9th September 1903. I have the honor to submit the following for favor of early orders of Government: —

2. By rule 5 of the above declaring that "there shall be established with effect from the 1st day of November 1903, a district board for each Revenue district &c" it is understood that there shall be one district Board for the whole of the Mysore district in place of the two now existing, as the French Rocks Sub-division has not been notified under clause (2) of section 2 of the said Regulation, to be a separate district for the purpose of Local Boards. The district Board to be constituted under rule 8 shall be made up of eleven Ex:officio, and fourteen non-official members as noted in the

the margin which will not be quite in accordance with the proviso to clause (2) of Section 4 of the Regulation which lays down that 'the number of members of a District Board appointed by official designation shall not exceed one-third of the whole number of members of such Board'. I therefore request that Government may be pleased to instruct me as to how I should proceed in the matter. As these rules were received only with the last issue of the Mysore Gazette, I am afraid there is not much time between now and the 1st November to satisfy adequately all the conditions laid down for the election of the members of the Taluk Boards. To overcome this difficulty I beg that the time may be extended up to the 15th November for constituting these several Boards.

I have the honor to be,

Sir

I have the honor to acknowledge the receipt of G. O No $\frac{1437}{L7-66-03}$ of the 15th October 1903, issuing instructions on certain points raised by me in connection with the Constitution of the new District Board, and to state that the Inspector-General of Education and the Chief Engineer were respectively addressed by me as to which of the two officers in their respective departments in the district are to be regarded as the Chief or Senior in standing? The former has written to me in reply, that Mr. M. Sreenivasa Rao, Deputy Inspector of Schools of the Mysore South Circle may be appointed. But with regard to the selection of an officer in the P. W. department, the Chief Engineer is of opinion that there being two Executive Engineers

Engineers in the two districts, each holding a separate divisional charge, it seems necessary that both of them should be ex-officio members of the Board, as otherwise it would be very inconvenient for one to discuss the subjects relating to the other, as each officer can be expected to know only the requirements of his own division? It is with this object alone, that I included in the list submitted with my letter No 188 of the 29th September 1903, the names of the two Executive Engineers & of the two Deputy Inspectors of Schools with regard to the Schools, the question is quite different, as they are excepted from the control of the Board (Vide Para 4 (3) of Ey. C. No 11-24-L.B 66-03 dated 7th October 1903). But with regard to the Public works department, whereto the allotment of funds is to be made after full discussion, it is necessary in my humble opinion also, that both the

the Executive Engineers should be taken on the Board. By the above proposal the no of Ex-officio members of the Board will exceed the maximum prescribed by the Regulation. To Solve this difficulty I beg leave to propose for the Consideration of Government, that the Strength of the district Board of the mysore district may as a Special case be raised to twenty seven of whom, nine shall be ex-officio, & the remainder Eighteen non official.

In continuation of my letter no 233 of the 29th october 1903, proposing that the number of members of the new district board may, for the reasons stated therein, be raised to twenty-seven, I have the honor to submit herewith a list of members (Ex-officio and non-official) proposed for the constitution of the district Board. Of the seventeen non-official members who are arranged according to their occupation nine are landed proprietors, 3 are patels, two are lawyers, two are Shanbhogs and one is a merchant. It will thus be seen that the interests of all communities are fairly represented. I request that Government may be pleased to approve of the nominations I have proposed, and direct the publication of the list in the Mysore Gazette as
